**Subject:** Ship Offshore Forum Rio 16-17 September

I have some of the presentations given at the Marine Money sponsored Latin American Ship and Offshore Forum in Rio.

I will not send them if someone from KOM attended and you have all the papers . If not I will send on to KOM board.

The Drilling Rigs Project:  
Petrobras' Strategy for  
its successful  
implementation

## Disclaimer

The presentation may contain forecasts about future events. Such forecasts merely reflect the expectations of the Company's management. Such terms as "anticipate", "believe", "expect", "forecast", "intend", "plan", "project", "seek", "should", along with similar or analogous expressions, are used to identify such forecasts. These predictions evidently involve risks and uncertainties, whether foreseen or not by the Company. Therefore, the future results of operations may differ from current expectations, and readers must not base their expectations exclusively on the information presented herein. The Company is not obliged to update the presentation/such forecasts in light of new information or future developments.

## Cautionary Statement for US investors

The United States Securities and Exchange Commission permits oil and gas companies, in their filings with the SEC, to disclose only proved reserves that a company has demonstrated by actual production or conclusive formation tests to be economically and legally producible under existing economic and operating conditions. We use certain terms in this presentation, such as oil and gas resources, that the SEC's guidelines strictly prohibit us from including in filings with the SEC.
